Join the Nevada Department of Education and the Governor's Office of Workforce Innovation for an informative Summit as part of the state's LifeWorks initiative, funded by the New Skills for Youth grant from JP Morgan Chase, and the National Governors Association Policy Academy on Work-Based Learning. The LifeWorks initiative aims to connect young adults to career pathways in high-demand industries.

The Summit will gather individuals from across the K-16 education system, business and industry, economic development and more to discuss further strengthening career pathways for in-demand Jobs in the New Nevada economy. Join us and learn how to incorporate work-based learning and career pathway initiatives in your organization!
