Greetings,
We very much appreciate your interest.

Question No.3

Dear Sir:

Can you please clarify the information being requested in the following two questions cited – paragraph a is requesting references and contact information and it appears that b is asking for the same information thank you

- a) The proposer’s qualifications and capacity to perform the work effectively and efficiently, based on information from professional references (provide the name and contact information of at least two (2) entities or organizations, who can attest to proposer’s present and/or past work and professional performance); and
- b) Proposer’s detailed list with the primary contacts that will be available during business and service hours

Response to Question No. 3

Sec. IX (A)(4)(a) _ As stated, the **proposer’s qualifications and capacity to perform the work effectively and efficiently, based on information from professional references** (provide the name and contact information of at least two (2) entities or organizations, who can attest to proposer’s present and/or past work and professional performance); and

Sec. IX (A)(4)(b) _ The proposer’s detailed list with the primary contacts that will be available during business and service hours.

Rationale: Although similar, item “b” requests information for the individuals that will be available, to verify information provided under item (a) above, during regular business/service hours.
