

Technical Assistance Guidance

TAG 31 - 2019

Issued Date: **March 6, 2019**

Subject:

Local Workforce Development Board (LWDB) - Workforce Connections (WC)

Policy Implementation Revision(s) & Update(s)

Workforce Innovation and Opportunity Act (WIOA) - Administrative Policies

Purpose

To provide additional guidance and technical assistance in relation to overall provisions, established requirements, and process that govern the treatment, handling, and resolution of a protest in connection with Workforce Connections (WC) procurement actions. In addition, to announce the publication and effective date for implementation of revisions/updates made to the following policy:

Admin-010-08 Procurement Protest Standards

Background

Pursuant to established Federal and State statutes and regulations, Workforce Connections must conduct procurement consistent with the principles of competitive procurement standards codified at Title 2 of the Code of Federal Regulations Chapter II parts 200 and 2900.

Modifications

- Policy revised in its entirety with the addition of applicable State laws.
- Streamlined process to facilitate the prompt resolution of a protest in connection with WC procurement actions.

Action

Please share this guidance with staff and interested parties as necessary or appropriate.

With the commitment to improve processes and after further research and assessment of established requirements, WC has revised and implemented the above-referenced policy as appropriate. Technical assistance is available upon request.

Policy revisions/updates adopted and implemented as of Wednesday, March 6, 2019. WC Policies can be located at <http://nvworkforceconnections.org>
