**Question(s) Response Date:**                 **4/19/2023**

Greetings,  
We very much appreciate your interest.

**Question No.1**

Good afternoon - In accordance Professional Audit Services RFP-AS-VA-23-025, we would like clarification regarding the following:

- Have there been any cybersecurity breaches (including malware, ransomware, etc.) to date for the year ending June 30, 2023? If so, can you provide details including what systems were involved, whether it is likely that an illegal act occurred, if there was an impact on the financial statements, both direct and contingent, and what action were taken in response to the event?

**Response:**  
**No incident as of this date.**

*The remainder of this page was left blank intentionally.*
