Greetings,

We very much appreciate your interest.

#### **Question(s):**

Hello, I would like to submit a question. Do we need a SAM account at the time of the proposal submission? Or can it be in process?

Thanks,

#### **Answer:**

The intricacies of obtaining the Unique Entity Identifier (UEI) are well-understood. When submitting a proposal under the above-cited solicitation, if no UEI number is not yet assigned to the responding entity, the proposal must include sufficient documentation to validate that a request for the UEI was placed and is still under process.
