Learning about careers
in the heavy equipment industry

A note for parents and teachers ...

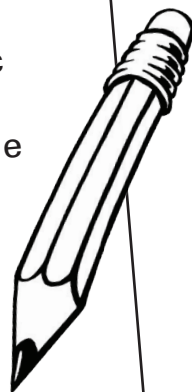

As adults, we know that a good job is essential to providing for our families. So, it's never too early for youth to start imagining their future.

There is a constant increase in demand for the heavy equipment industry, which provides many career opportunities. These include skilled support staff, supervisors, managers, and a variety of technicians. All of these are rewarding and well-paying careers.

Workforce Connections and Empire Cat collaborated on this activity book to highlight a few of the occupations that will be in-demand in Nevada over the next decade. With your permission, youth can learn more about these and other good careers at:

www.NVMyFuture.org
and
www.empire-cat.com

Workforce Connections is committed to community partnerships that help youth achieve the academic and vocational skills necessary to successfully enter the workforce and confidently compete in the global economy.

Word Search

There are many career opportunities in the Heavy Equipment Industry. Below is an occupation list. Search the matrix, find and circle the 20 occupations.
